Deputy Commissioner's office
Kolar — 30th July 1901.

From

F. E. C. Carr Esqure
Deputy Commissioner
Kolar district

To

The Secretary to the
Government of Mysore
Rev and Genl Depts.

Sir,

I have the honor to state that under orders conveyed in Govt Pro: No. 937-9m 7171-92 dated 22nd June 1893, the temple of Sree Anjaneyaswami in the Mulbagal Town with its endowment of the marginally noted Inam villages* were brought under Government Management, and the archikas and other temple servants are since then being remunerated by monthly Cash payments as per scale framed by the then Deputy Commissioner of this

District.

2 The Padithara expenses are likewise fixed @ Rs 637/- per annum, which excluding the Cost incurred on account of Car festival &c leaves an allowance of 0-12-6 per day.

3. The archakas state that this amount is not sufficient as the prices of rice &c are very high, and that they are not able to perform "Naivêdyam" offerings of food in the night, and, request that the amount may be raised by 4 annas, making a total daily padithara of Rs 1-0-6, the same amount as that enjoyed by them since the time of the late Dewan Purnaiya.

4. They also represent that their pay is insufficient, that they were from time immemorial in the enjoyment of the whole of the income

decreased from the Inam villages, and that the scale of pay fixed for the establishment may be revised.

5. I beg to enclose a statement showing the annual Jamabandi of the Inam villages, since 1895–96, the expenditure incurred and the amount now at the credit of the temple. As there is a large amount of Rupees 2,660/- now available for repairs, and for improving the temple where necessary, I would propose to revise the Scale of the Establishment and other charges as follows:—

I The parpattigar or Head archik is now in the receipt of a monthly salary of Rs 7/- and it may be raised to Rs 8/- ... Increase in expenditure Rs - 4-0 per annum = 12-0-0

II The Paditara daily allowance granted at present viz 0-12-0 may be raised to Rs 1-0-6 as their request seems reasonable - Increase — do — 101-4-0

III. There is only one Marshal-chi at present. The Archiks state that during processions two Marshal-chis, to carry torches on either side respectively. As a pair of one rupee appears to be sufficient, an extra hand may be sanctioned ... ...

Increase in expenditure per annum. = 12-0-0

Total Rupees 125-4-0

6. Taking the last 5 years' figures, there is an annual Saving of Rs 543-14-0 as against Rs 344/- which was estimated to be available in 1893, and Considering this increase in revenue, I would recommend that the extra expenditure of Rs 125-4-0 may kindly be sanctioned.

7. I may here mention that I have

visited the temple and found it neatly Kept, and the worship is also reported to be well and regularly performed.

I have the honor to be

Sir,

Your Most obedt Servant
